Because of a Friend

Life is a sweeter, stronger, fuller,
more gracious thing
for the friend's existence,
whether he be near or far.
If the friend is close at hand,
that is best; but if he is far away
he is still there to think of,
to wonder about, to hear from, to write to,
to share life and experience with,
to serve, to honor, to admire, to love.

– Arthur Christopher Benson

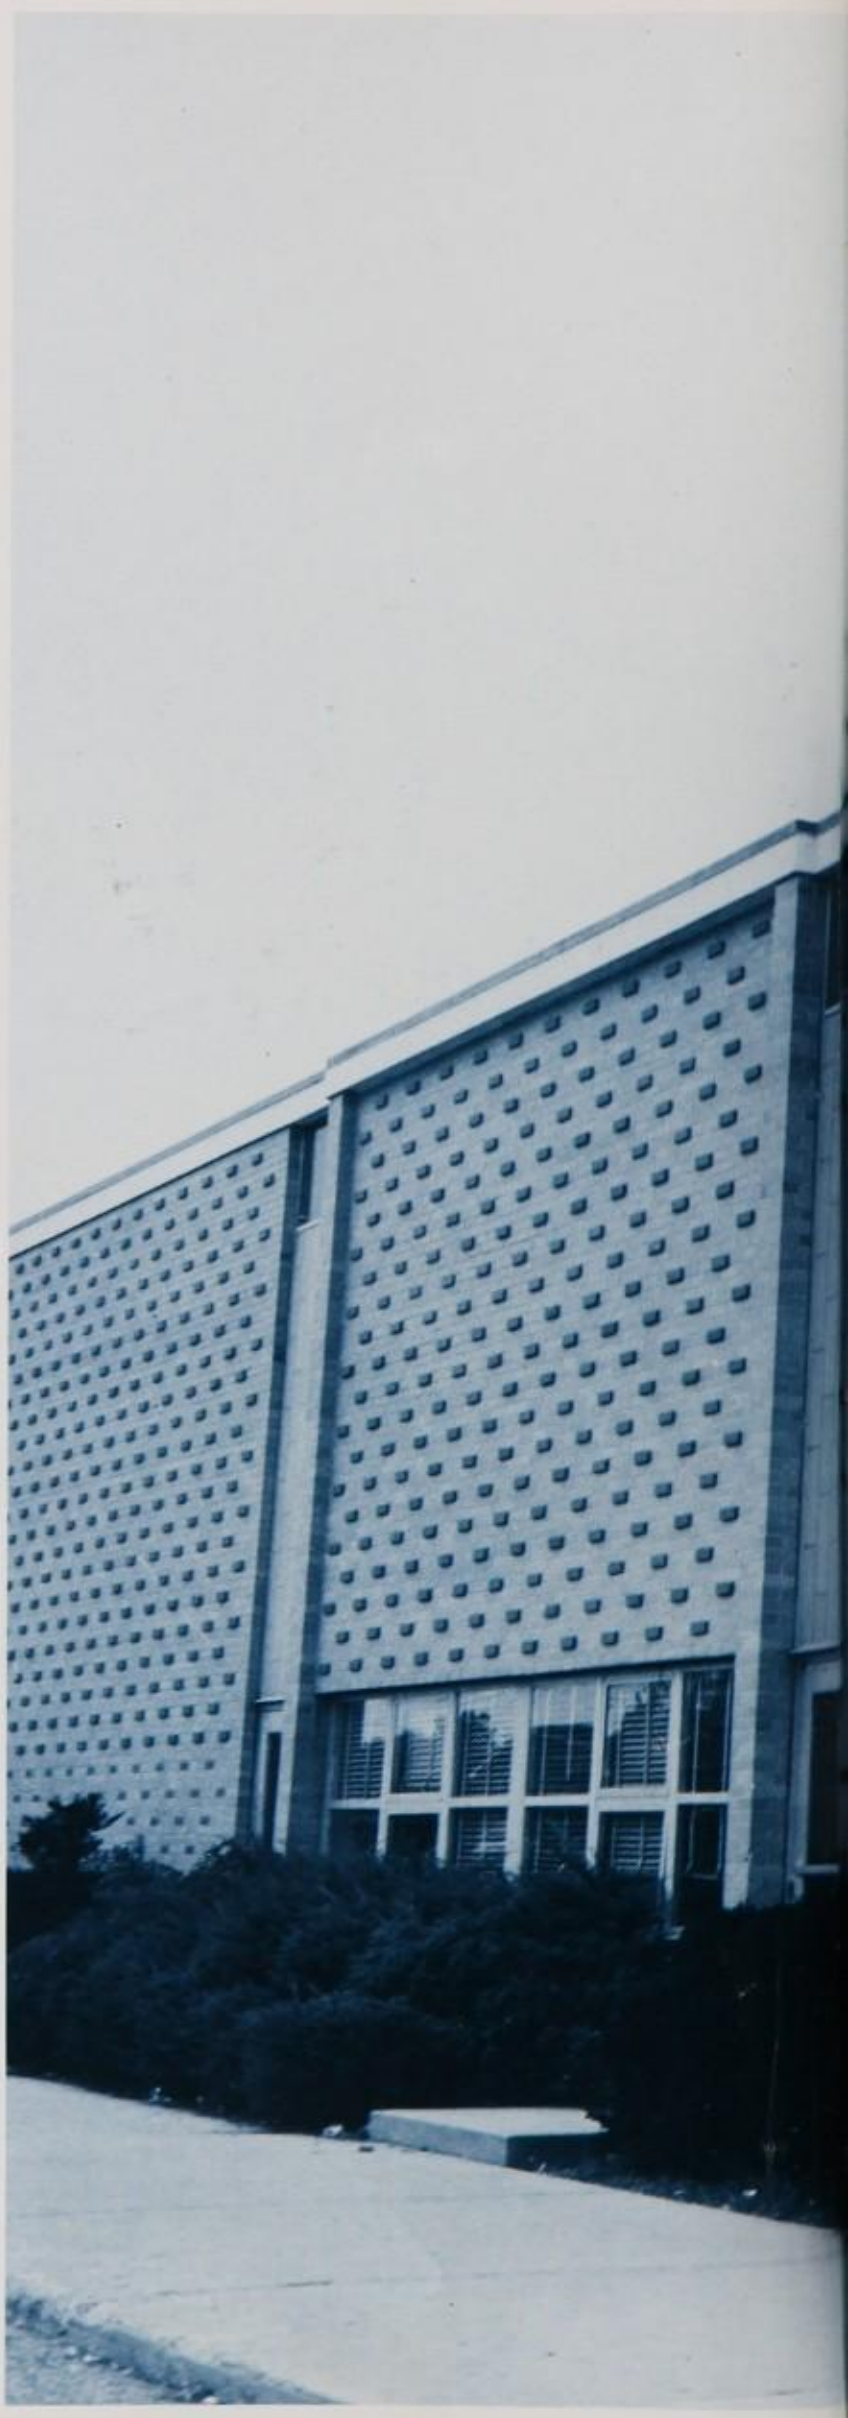
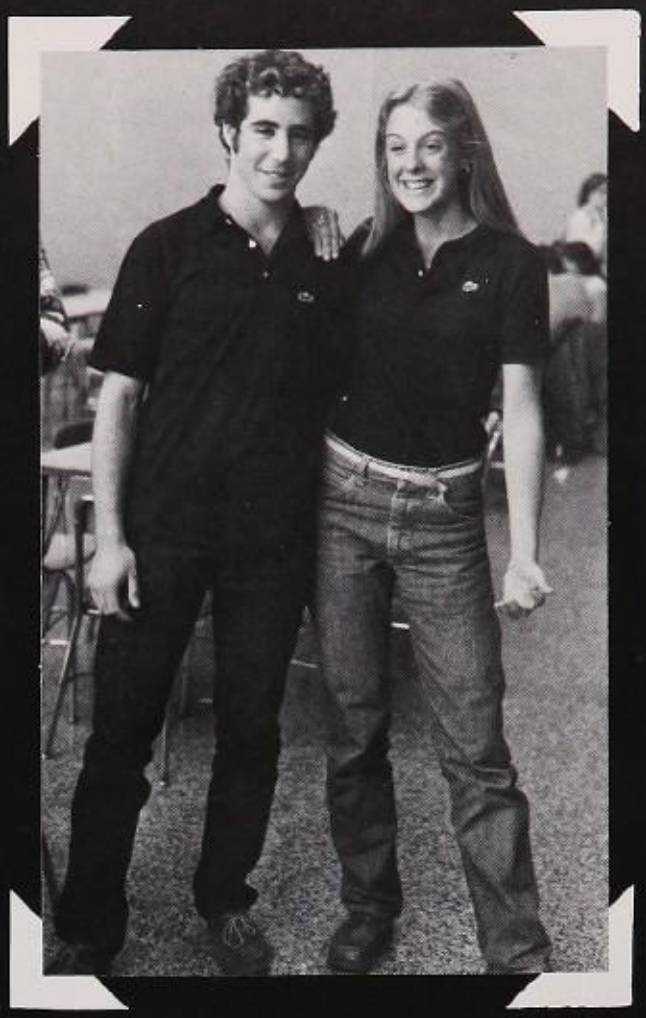
Winner

Memories light the corners of my mind. Misty water colored memories of the way we were.



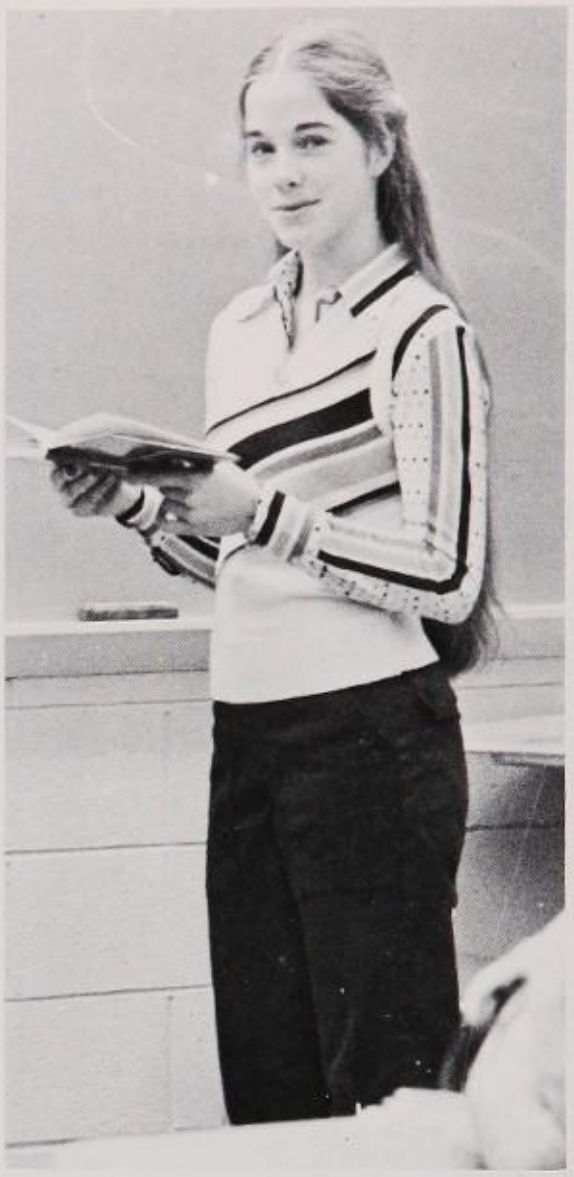
Alfred G Berner
High School

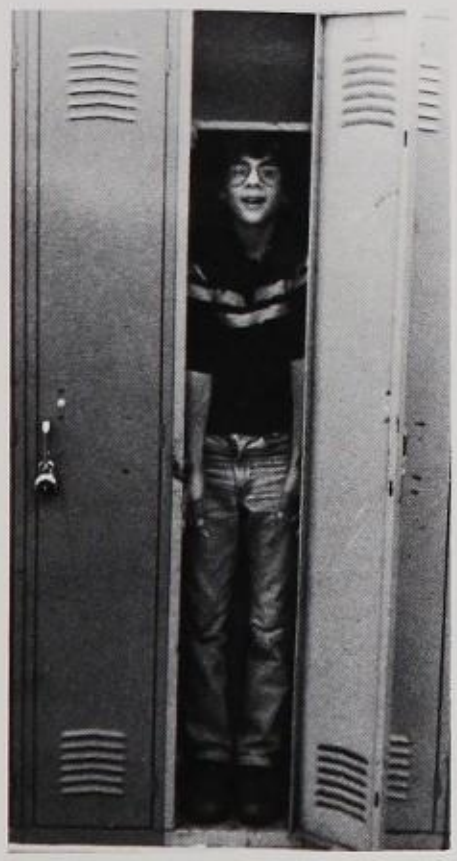
Scattered pictures of the smiles we left behind.

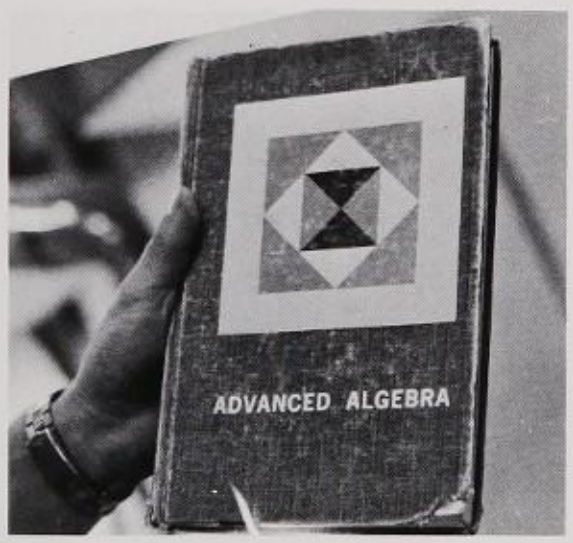


Smiles we gave to one another, for the way we were.

Can it be
that it was all so simple then,
or has time rewritten every line.

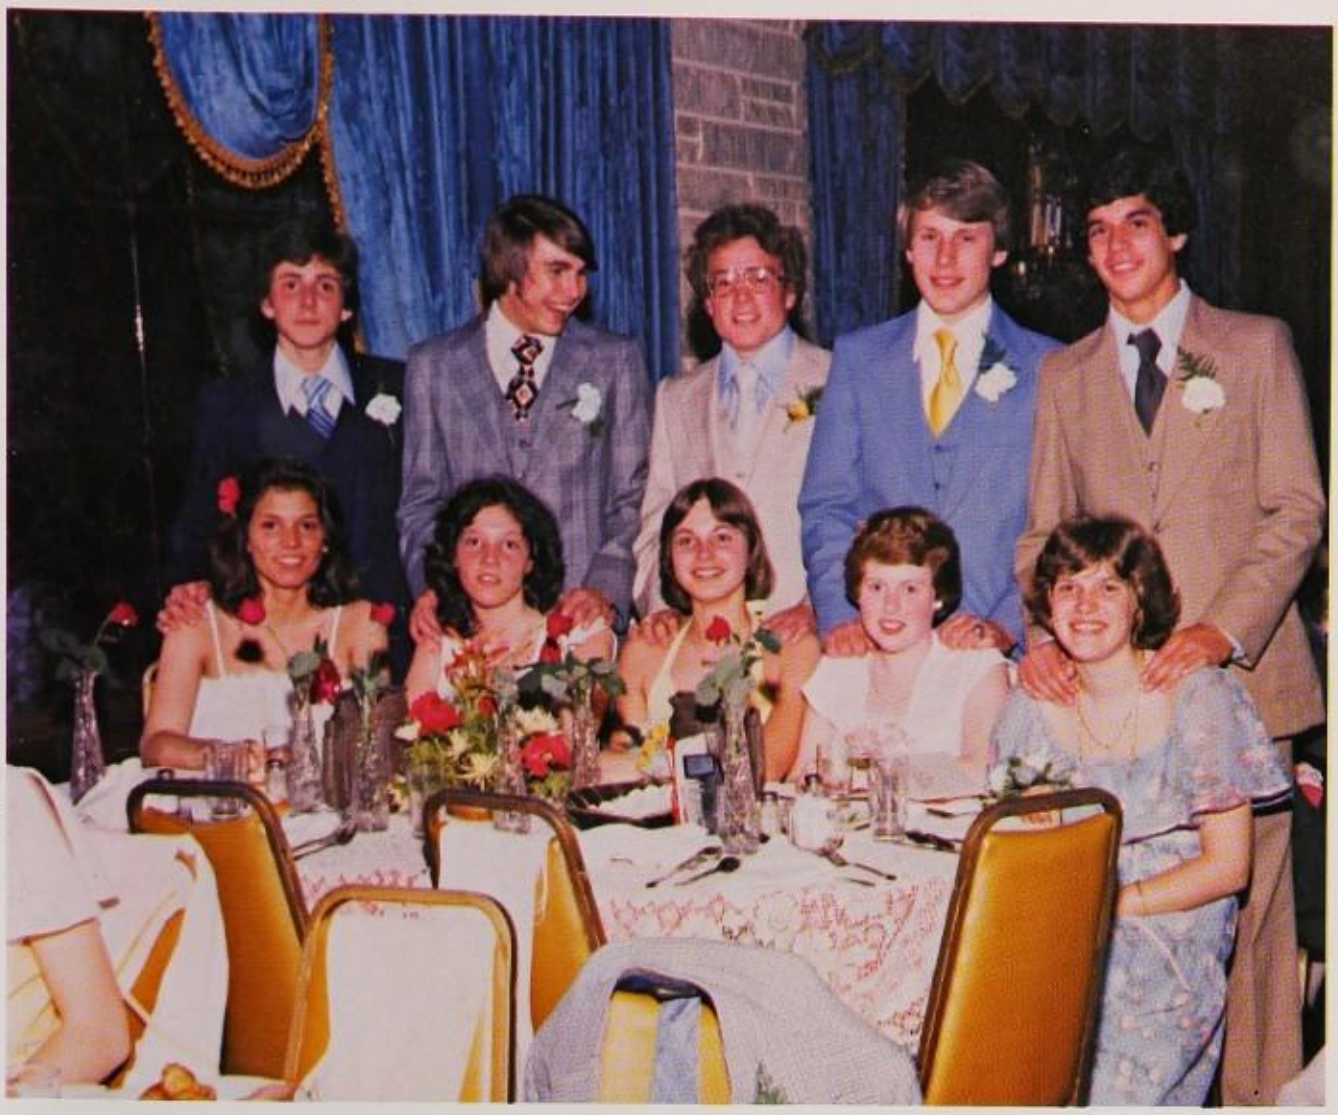






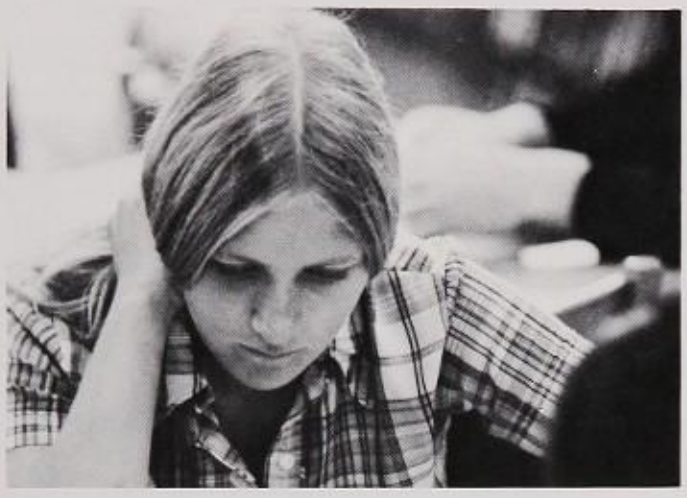
If we had the chance
to do it all again, tell me
would we, could we.

Memories may be beautiful,

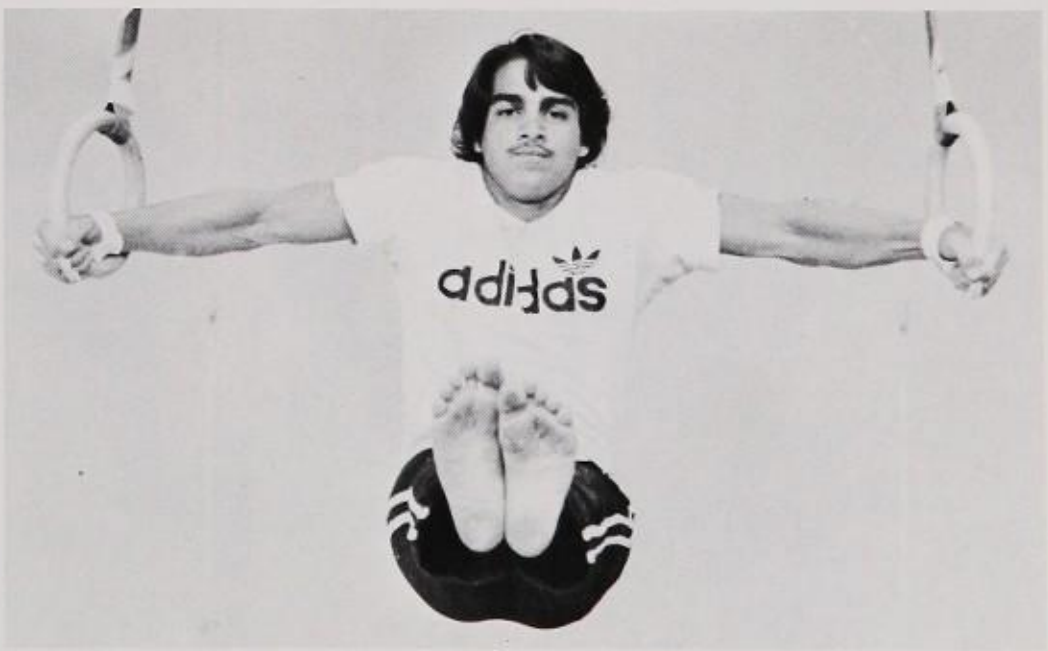


and yet,

what's too painful to remember



we simply choose to forget.



So, it's the laughter

we will remember,

whenever we remember,
the way we were,

the way we were.

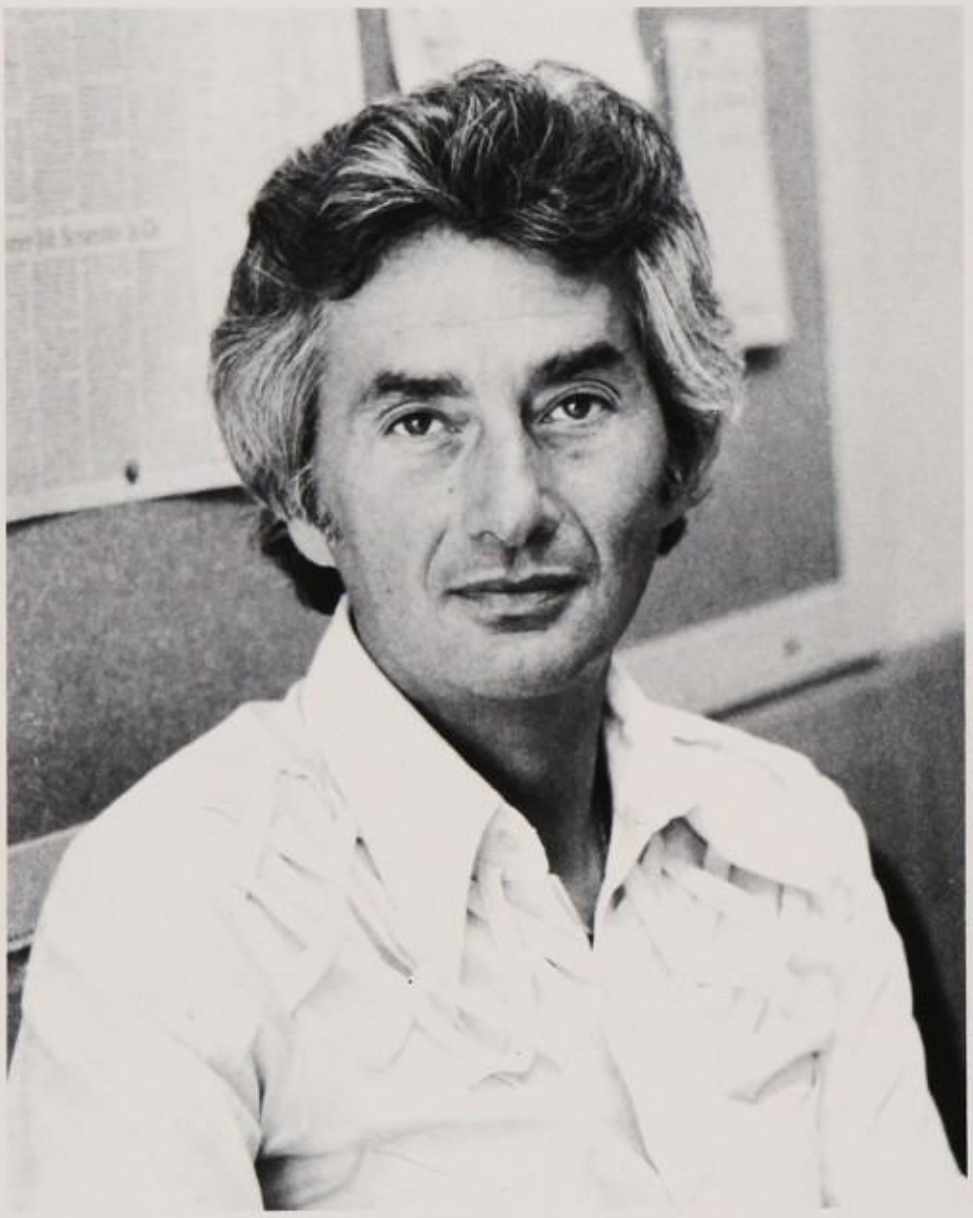
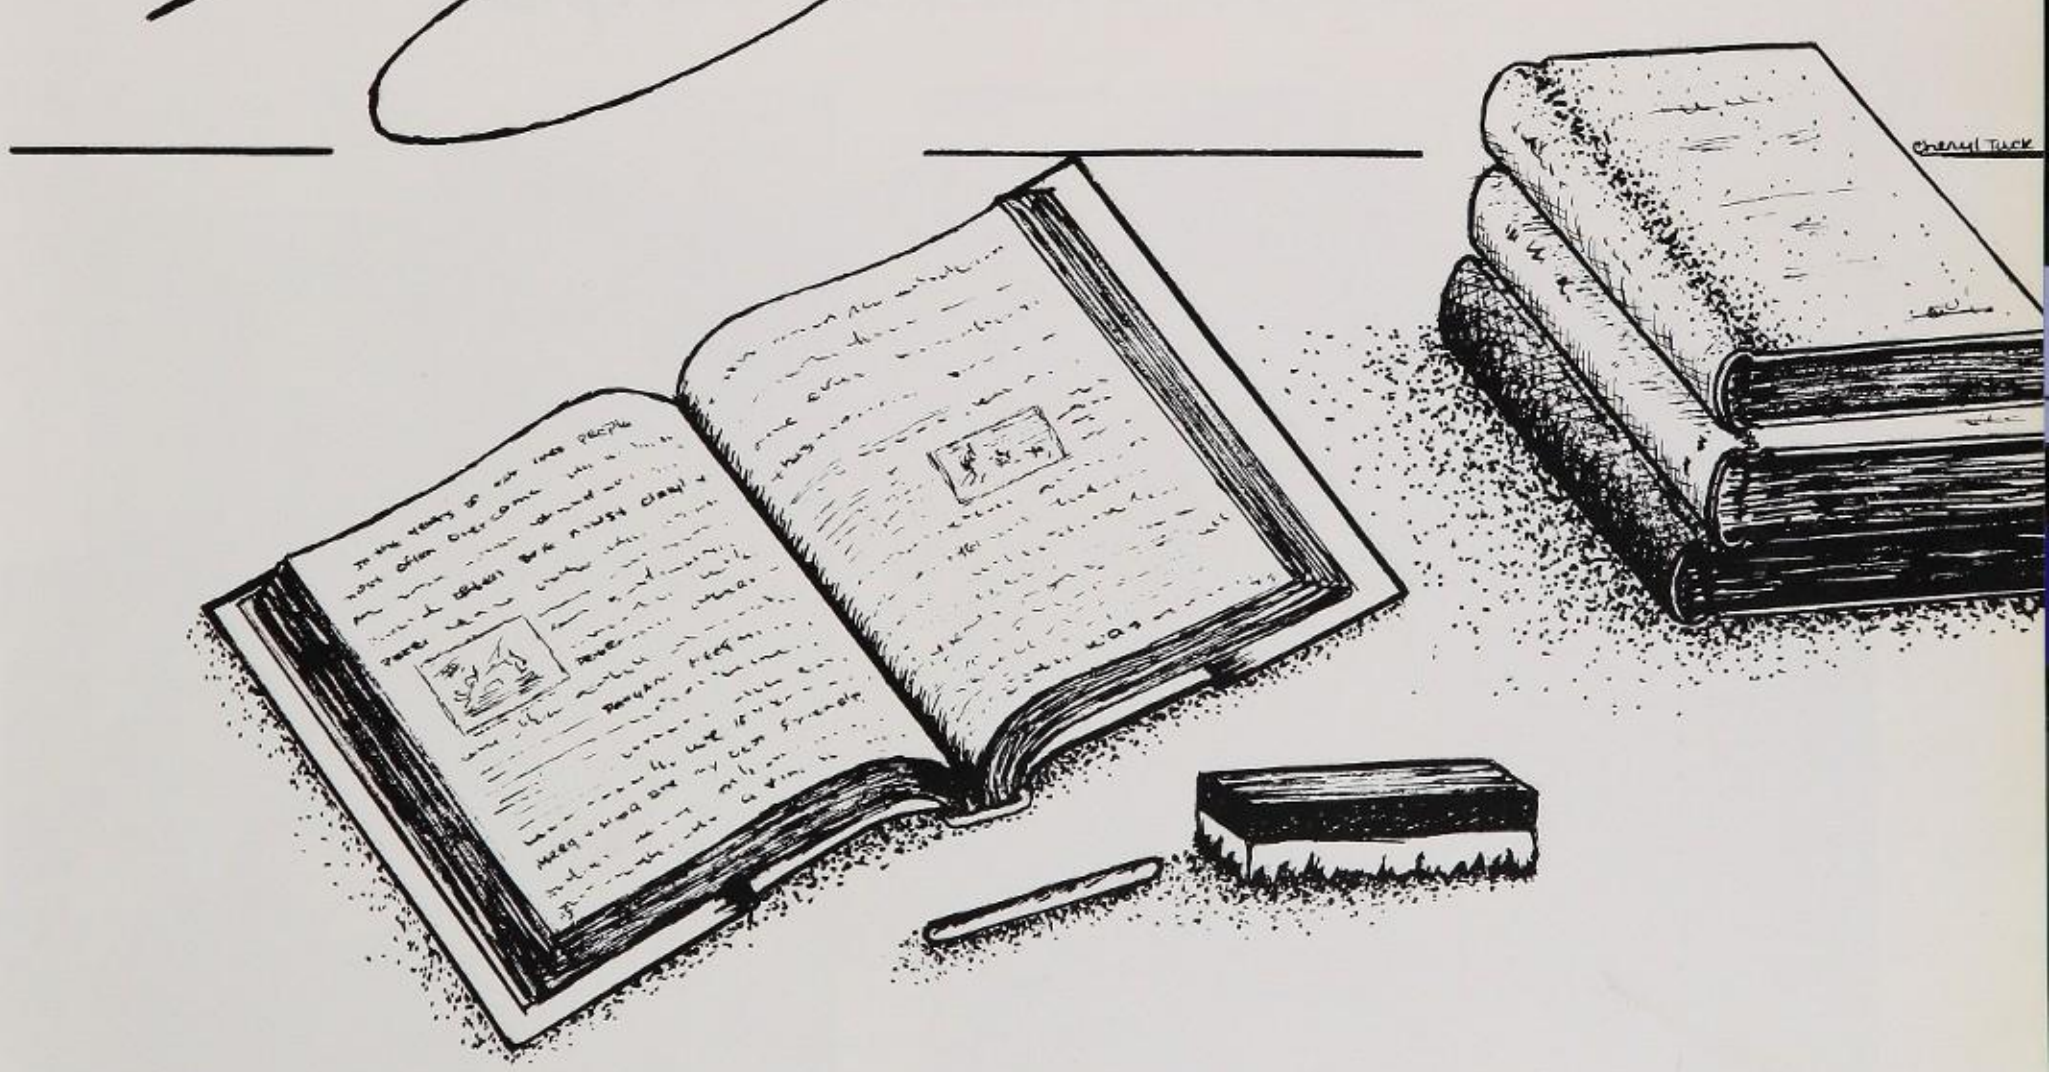
In memory of Mr. Stanley Aarons



Mr. Aarons was a man who was dedicated to the interests and education of all his students. For many of his students and friends, his guidance and understanding will be hard to replace.

Faculty



FROM THE DESK OF
Donald Woodworth

It is a pleasure for me to congratulate you, the Class of 1979, on your many accomplishments at Berner High School. You have made a great contribution to the spirit and tradition that former classes have begun.

Your Wisanda theme is highly appropriate. Your years here have passed quickly and the future years will seem to pass even more rapidly. It is in the future that you will have occasion to review the pages of your yearbook and remember with pride, "The Way You Were."

We've Got Something Your Mother Never Told You About...

The Precision Haircut.

Precision haircutting is our method of cutting your hair in harmony with the way it grows. Sure your hair eventually grows out, but with a precision haircut it doesn't lose its shape.

And because your hair falls naturally into place. You won't have to keep fussing with it.

Now **you've** got something you can tell your mother about.

At Command Performance, we shampoo, precision cut and blow dry your hair for just $14.00 whether you're a guy or a gal. And no appointments are ever necessary.

Permanent waves, coloring, frosting and conditioning, we do it all, but we really shine with the precision haircut, and so will you.

Editors' Message

Unlike other clubs we started ours at the end of the 1978 School year. Like the others, we too started out with an overwhelming turnout of enthusiastic students. As the year progressed the number of students dwindled to a select few of hardworking, faithful, and perservering members. It is to these Wisanda Staff members that we would like to extend our most greatful thanks. Without you a yearbook like ours could not have been produced.

To Mr. Flood, our advisor, we would also like to extend our thanks and gratitude. We appreciate all the incentive and guidance you gave to us.

Thank you, Wisanda Staff, for helping us to make this a successful yearbook. We hope we captured the memories you want to keep of your years at Berner.

Because of a Friend

Life is a sweeter, stronger, fuller,
more gracious thing
for the friend's existence,
whether he be near or far.
If the friend is close at hand,
that is best; but if he is far away
he is still there to think of,
to wonder about, to hear from, to write to,
to share life and experience with,
to serve, to honor, to admire, to love.

– Arthur Christopher Benson
